10/31/2007	“Heart Failure therapy in 2007”—Wayne Levy, MD, University of Washington
10/24/2007	“The Very Best Cases of 2007: ACP Presentations”—Providence Portland Internal Medicine Residents
10/17/2007	“Legal Perspectives on Conflicts Between Families, Physicians and patients”— Sandra Johnson, JD, LLM Saint Louis University
10/10/2007	“Heparin Induced Thrombocytopenia”—Lawrence Rice, MD, Baylor College of Med, Houston
10/03/2007	“Re-Evaluating Options in Type 2 diabetes Treatment” – Andrew J. Ahmann, MD, Endocrinology, OHSU
09/26/2007	“Evidence-Based Sepsis Management” – Thomas Schaumberg, MD, Pulmonology, PPMC
09/19/2007	“Practicing Evidence-Based Medicine: Learning from our Patients” – Paul Gorman, MD, Laura Kuipers, DO., and Daniel Packard, DO, Providence Portland Medical Center
09/12/2007	“The Year in Ambulatory Medicine” – Jeffrey Kohlwes, MD, Assoc. Profs. of Medicine, UCSF
09/05/2007	“Primary Aldosteronism: Beyond Conn’s Syndrome”—William F. Young, MD, Mayo Grad School of Med, Rochester, MN
08/29/2007	“Liver Stuff: More Than You Really Wanted to Know”—Ken Flora, MD, Gastroenterology, PPMC`
08/22/2007	“The Therapeutic Challenges in the Treatment of S. aureus”—David Gilbert, MD, Gastroenterology, PPMC
08/15/2007	“Connections, Pain Management and Ethics: How They Can Help You and Your Patient”—Marian Hodges, MD, Prov. Center for Health Care Ethics; Maureen Jones, FNP,MSN; Richard Maunder, MD-PPMC
08/08/2007	“Famous Physicals: Diagnostic Dilemmas in History”— Salvatore Mangione, MD, Pulmonary & Critical Care Med, Thomas Jefferson University, Philadelphia PA

These videos are available at the GSRMC Library ---- 19 May, 2009. \*

\* Items will be purged periodically, unless there has been a request to hold a it for a specific time.

08/01/2007	“Top Ten Physical Diagnosis of 2007”—Salvatore Mangione, MD, Pulmonary& Critical Care Med, Thomas Jefferson University, Philadelphia PA
07/18/2007	“Hot Topics in Anticoagulation”—Thomas DeLoughery, MD, Hematology/Medical Oncology, OHSU
06/13/2007	“Update on Occupational Lung Disease”—John Keppel, MD, Pulmonologist, PMC
06/06/2007	“Red Snappers of TB: Still the Phantom Menace”—Ronald Dworkin, MD, PPMC
05/30/2007	“Annual Chief Medical Resident Grand Rounds”—Janan Markee, MD, Chief Resident, PPMC
05/23/2007	“Drug Interactions & Important Side Effects for 2007”—Doug Paauw, MD, Prof of Med & Rathmann Family Foundation Endowed Chair/Patient-Centered Clinical Education, UW
05/16/2007	“Palliative Care: What it Offers Patients and Clinicians”—Steven Pantilat, MD, Univ of Cal SF
05/09/2007	“Futiity and Hope: The Role & Limits of Surrogate Decision-Making”—Susan Tolle, MD, Director, Center for Ethics & Healthcare, OHSU
05/02/2007	“Update in Hospital Medicine”—Alan Hunter, MD, Assoc Prof of Med & Assoc Residency Program Director, OHSU
04/25/2007	“Lost in Translation? Clinical Changes in Internal Medicine in the Genomic Era”—Mark Babyatsky, MD, Mt Sinai Med Center, New York
04/11/2007	“Multiple Myeloma & Other Plasma Cell Dyscrasias”—Chris Reynolds, MD, Hem/Onc, PPMC
04/04/2007	“Helping Your Patients Quit: What the Doctor Needs to Know”—Charles Bentz, M.D., Medical Director, Tobacco Cessation & Prevention, Providence
03/21/2007	“Pay for Performance – A Specialist’s View”—Louis S. Libby, M.D., The Oregon Clinic
03/14/2007	“The Future of Interventional Cardiology”—Steven R. Bailey, MD, Univ. of Texas Health Science Center, San Antonio
03/07/2007	“New Developments in Antifungal Therapy”—Brian Wong, Prof of Med/Chief of ID, OHSU
02/28/2007	“The Changing Definition of TIA: A Practical Approach to Current Management Guidelines”—Ted Lowenkopf, MD, Med Director, Providence Stroke Center
02/21/2007	“The ANA: What it Can & Cannot Do For You & Your Patients”—Nancy Olson, MD, Prof of IM/Rheumatology, Univ of Texas Southwestern, Dallas
02/14/2007	“Ankylosing Spondylitis: Newer Advances in Diagnosis and Therapy”—Peter Bonafede, MD, PPMC
02/07/2007	“Converging Issues: Health, Global Warming and Energy Independence”—Catherine Thomasson, MD, Physicians for Social Responsibility
01/31/2007	“It’s a Small World: Travel Medicine 207”—Paul Sehdev, MD, PPMC
01/24/2007	“The Aging Gut: GI Issues in the Elderly”—Phil Kiyasu, MD, PPMC
01/10/2007	“The ABC’s of Vitamin D”—Michael McClung, MD, Endocrinology, PPMC

**2006 VIDEOS**

01/04/2006	“Hyponatremia: Finding the cause and Appropriate management”—Sallie Israelit-Herzig, MD, PPMC
01/11/2006	“Avian and Pandemic Influenza: A Flight of Fancy or A Dead Cert?”—Paul Lewis, MD, ODHS
01/18/2006	“The Bowel, It’s Bacteria and Us”— Stephen Jones, MD, Legacy Health System
01/25/2006	“Cardiorenal Dilemmas in Primary Care”— David Ellison, MD, OHSU
02/01/2006	“Osteoarthritis: Diagnostic Pitfalls and Newer Evidence About Available Therapies”— Richard Wernick, MD, PPMC
02/08/2006	“21 <sup>st</sup> Century Challenges to Medical Education”— Jordan Cohen, MD, Assoc of American Medical Colleges

These videos are available at the GSRMC Library ---- 19 May, 2009. \*

\* Items will be purged periodically, unless there has been a request to hold a it for a specific time.

02/15/2006	“Diverticular Disease of the Intestinal Tract”— Craig Fausel, MD, PPMC
02/22/2006	“Shining Light Where the Sun Don’t Shine: An Update on Colorectal Cancer Screening”—Jason Dominitz, MD, Univ of Washington
03/01/2006	“Ventricular Arrhythmias Update”—Karl Stajduhar, MD, OHSU
03/08/2006	“Antipsychotic Medication: A Primary Care Approach”—Richard Cohen, MD, PPMC
03/15/2006	“Nuts and Bolts of Male Hypogonadism”—Brad Anawalt, MD, Univ of WA School of Medicine
03/22/2006	“Hyperthyroidism Update”—Michael McClung, MD, PPMC
04/05/2006	“Lipid Management Pearls – Managing Special Populations”—Kristy Butler, PharmD, BCPS, CDE & Lisa Nguyen, PharmD., PPMG
04/12/2006	“Medical Complications of Sleep-disordered Breathing”—Michael Lefor, MD, PPMC
04/19/2006	“CABG: The Importance of Post-Operative Management”—Gary Ott, MD, PPMC
04/26/2006	“Pancreatitis Update”—Alan Savoy, MD, PPMC
05/03/2006	“Diabetes, Alzheimer’s and Coronary Disease: Children of The Same Parent?”—James Forrester, MD, Univ of CA, LA
05/10/2006	“BRCA Mutation Testing for Breast & Ovarian Cancer Susceptibility in Primary Care: Marketing vs. Evidence”—Heidi Nelson, MD
05/17/2006	“Intensive Diabetes Management”—Justen Rudolph, MD, PPMC
05/24/2006	“Adult Stem Cells and the Heart”—Michael LaFlamme, MD, PhD, Univ. of Washington
05/31/2006	“ The Acute Anus: Common Anorectal Problems in Primary Care”—Mark Whiteford, MD, OHSU
06/07/2006	“Adrenal Insufficiency”—Lynn Loriaux, MD, OHSU
06/21/2006	“Arthritis: What the Primary Care Doc Should Know”—Steve Campbell, MD, OHSU & VA
06/28/2006	“Racial and Ethnic Disparities in Health Care: What is the Problem and How Can We Improve It?—Brinton Clark, MD, PPMC
07/05/2006	“Arrhythmias Made Simple”—Jack McAnulty, MD, Professor Emeritus, OHSU & Legacy
07/12/2006	“Diseases of the Aging Skin”—Clytie Rymberg, MD
07/19/2006	“Recipes for Disaster: Clinically Relevant Drug Interactions”—Elizabeth Allen, MD & Mary Pickett, MD, OHSU
07/26/2006	“Role of Aldosterone in Hypertension”—Susan Bagby, MD, OHSU
08/02/2006	“Medicine Jeopardy – War of the Minds”—Janan Markee, MD & Meera Jain, MD, PPMC
08/09/2006	“Outpatient Medicine Update”—Irene Hendrickson, MD & Ruben Halperin, MD, MPH, PPMC
08/16/2006	“Treatment of Type 2 DM: A Rationale Approach Based Upon Its Pathophysiology”—Ralph De Fronzo, Professor of Medicine, Univ. of Texas, San Antonio
08/23/2006	“New Thoughts on Headaches”—Evelyn Curioso, MD, Dept of Neurology, PPMC
08/30/2006	COPD Update”—Rhett Cummings, MD, Dept of Medicine, PPMC
09/06/2006	“DKA: A new look at an old problem”—Elizabeth Stephens, MD, Assist Prof of Medicine, OHSU
09/13/2006	“Inpatient Medicine Update”—Scott Marsal, MD, Andrea Roast, MD Mark Rosenberg, MD, Medical Education, PPMC
09/20/2006	“Update on Diagnosis and Management of Thyroid Cancer”—Paul Ladenson, MD, Professor of Medicine, Johns Hopkins Medical Institute

These videos are available at the GSRMC Library ---- 19 May, 2009. \*

\* Items will be purged periodically, unless there has been a request to hold a it for a specific time.

09/27/2006	“Women’s Health Update”—Michelle Guitteau, MD, Mari Kai, MD, Maxine Bauer, MD, OB-GYN, PPMC
10/11/2006	“The Best Cases of 2006” (The ACP Competition)—PPMC Internal Medicine Residents
10/18/2006	“Short Course Antibiotic Therapy”—Ethan Rubinstein, MD, Professor of Medicine, University of Manitoba, Canada
10/25/2006	“Does Physician Character Matter in Modern Medicine?”—Nuala Kenny, OC, MD, FRCDC, Prof of Bioethics and Pediatrics, Dalhousie University, Halifax, Canada
11/01/2006	“The HPV Vaccine”—Matthew Golden, MPH, MD, Assoc Prof of Medicine (Infectious Diseases), Director, STD Control Program, University of Washington
11/08/2006	“Low Back Pain: The Cutting Edge”—Richard Deyo, MD, Prof of Med & Health Services, University of Washington
11/15/2006	“Multiple Sclerosis: Pathophysiology and Treatment:”—Stan Cohan, MD, PHD, Director, Providence MS Center
11/22/2006	“Update on Management of Inflammatory Bowel Disease”—Donald Lum, MD, PPMC
11/29/2006	“What’s New in Food-Borne Illness?”—Keith Marton, MD, CMO, Legacy, Clinical Prof, OHSU
12/6/2006	“Update on Pleural Disease” —John Heffner, MD, Director of Med Education PPMC
12/13/2006	“Acute Coronary Syndrome Made Simpler”—Steven Reinhart, MD, Cardiology, PPMC
12/20/2006	“New Developments in HIV Therapy”—James Leggett, MD, Infectious Disease, PPMC
